

蝶と蛾 *Tyô to Ga*, 35 (1): 45, 1984
Short communication

A New Generic Name in the Notodontidae (Lepidoptera)

Masanao NAKAMURA

2-28, Higashi-Hagoromo 7, Takaishi, 592 Japan

Nepalia NAKAMURA, established for a notodontid *Nepalia vesperalis* NAKAMURA from Nepal, has been found to be a junior homonym, then a new name will be proposed as follows.

Staurodonta NAKAMURA, nom. n. to replace *Nepalia* NAKAMURA, 1974, *Tyô to Ga*, 25: 121, a junior homonym of *Nepalia* KIEFFER, 1911, Rec. Indian Mus., 6: 348 — Diptera.

The author sincerely thanks Mr. D. S. FLETCHER of the British Museum (Natural History) and Mr. S. SUGI of Tokyo, for their advices on the homonymy.

摘要

シャチホコガ科の一新属名 (中村正直)

著者はさきに本誌上でネパール産のシャチホコガの一種を新属新種 *Nepalia vesperalis* NAKAMURA として記載したが、属名 *Nepalia* は先取されていることが判明したので、ここに新に代替名 *Staurodonta* を提出した。
